

## Waiver of Liability for Use of Potentially Unsafe Equipment

By signing this waiver, I attest that:

- I have been advised that Project Appleseed has concerns about the safety of using the .17 HMR cartridge in semiauto rifles.
- I have been offered, and declined, a loaner rifle chambered for the \_\_\_\_\_ cartridge for use during this shoot.
- I elect to use a rifle chambered for .17 HMR at this shoot and assume all responsibility and liability for that decision.
