

Stage 2: Sitting or kneeling
Simulated 200 yard target

Stage 3: Prone
Simulated 300 yard target

Stage 4: Prone
Simulated 400 yard target

Scoring: a bullet which touches the next highest ring is counted as the higher value. Use the ".30 cal rule" for calibers less than .30 - if the bullet would have touched the next higher ring if it had been a .30, then count it as the higher score. [No cheating! If in doubt, count it out.]

Score, Stage 1: _____ Stage 2: _____

Stage 3: _____ Stage 4: _____ X 2 = _____

Total of above Scores: (20 rds): _____ X 2 = _____

(8 rds): Total _____ X 5 = _____
= Your Classification Score

Qualification: Unqualified: under 125 Marksman: 125-169

Sharpshooter: 170-210 Expert (Rifleman): 210 or more
