

PROJECT APPLESEED

*Where marksmanship met history,
and the heritage began...*

Would you like to learn:

- How to hit 20" targets at 500 yards?
- 6 Steps to improve your shooting?
- 3 Firing Positions and to properly use a sling?
- **HOW TO BECOME A RIFLEMAN!?!?**

RIFLEMAN

What is Project Appleseed?

Project Appleseed teaches basic marksmanship skills, respect for the Rifleman Tradition, and our Revolutionary War history. Appleseed will teach you the skills to hit gallon milk jugs at 250 yards, using your rifle and iron sights. But marksmanship is more than just accurate shooting. It is a love of liberty, a respect for America's Founding Fathers, and an understanding of our Country's history.
