When marksmanship met history, and the heritage began...

OUR PURPOSE AND OUR NON-AFFILIATION WITH SUBVERSIVE ELEMENTS

What We Are — And What We're Not

The Revolutionary War Veterans Association (RWVA) is a gun club and an instructional school that teaches rifle shooting techniques; and also desires to maintain the heritage of the American Rifleman.

We have no affiliation with, nor do we promote or encourage, any subversive or quasi-subversive entities or acts against the United States of America or against the American People, inside or outside U.S. borders.

Any and all instruction and training conducted by RWVA is done in accordance with Federal, State and Local Laws and regulations. RWVA does not and will not train any foreign or domestic entity(ies) that could pose a threat to — or has denounced — the United States of America.

The RWVA is not associated with subversive elements. [Read our statement here.](#) All content copyright © 2007 Appleseedinfo.org. "A plan to save America" copyright © 2005 Jack Dailey. All rights reserved. Website design by [The Ash Fox Group LLC.](#)
