Project Appleseed is a nationwide program that teaches rifle marksmanship skills that have been passed down from generation to generation and reconnects Americans with the people and events of colonial America. Participants are taught skills that allow a Rifleman to be accurate out to 500 yards using a standard rifle with iron sights and surplus ammunition. This ability is traditionally known as mastering the “Rifleman's Quarter Mile” and is an American tradition that has been part of this nation from its very first days. So join us and hear some little-known Revolutionary War history, reaffirm your heritage, and make America a better place.

*Rifles and ammunition are not supplied. Bring 400 rounds per shooter per day plus an additional 200 rounds for your 400 yard known distance rifle. **Eye and hearing protection are required!***

*Attendees are responsible for determining applicable firearms laws of the host state and for travel.*

*See [www.nraila.org/statelawpdfs/VTSL.pdf](http://www.nraila.org/statelawpdfs/VTSL.pdf) for Vermont state firearms laws.*

*Misc.: This is one of the few ranges RWVA uses that has 600 yard capability. We will be shooting a 400 yard AQT on Sunday, so bring a center fire rifle and 200 rounds of ammo for it. It's a very beautiful range. Shooting here is a treat not be missed. It's not many places in the program that allow a Full Distance AQT. Our Instructors are very knowledgeable in the area of Full Distance shooting. Some of them may very well be on the line shooting with you.*
