Patriot First Family Lifetime Membership
of the
Front Sight Firearms Training Facility
in
Las Vegas, Nevada.

For \$70 Appleseed will teach you to shoot any rack grade rifle with ball surplus ammo to a degree of accuracy which you didn't think possible but which our fore fathers took for granted. At the same time, we teach some of the history and heritage of our country to awaken the current generation to what is going on around us and to think about the type of people and country we want to leave for our posterity.

Front Sight teaches self-defense oriented courses in the use of Handgun, Shotgun and Rifle and seeks to positively change the image of gun ownership in this country in our lifetime. As such, Front Sight training is a natural complement to your Appleseed training. Front Sight is the premier training facility and its courses typically run from \$1000 for a two-day course to \$2000 dollars for a four day course. The Patriot Membership being offered in the above Prize Drawing is a Lifetime membership which allows you to attend any of Front Sights two and four-day courses for Handgun, Shotgun and Rifle for Free for the rest of your life! To purchase this life-time membership retail from the Front Sight website would cost you between \$5000 to \$8000 depending on your payment choice.

How can you lose? For \$70 you will get a level of achievement in Rifle Marksmanship you didn't think possible – guaranteed, and you get an automatic free entry into the draw with a chance to win the above membership. You get a draw ticket for each event you attend and each Appleseed you attend will only make you better.

Remaining Events: Piru and Corona, December 13-14th.
