

Our Instructors

Appleseed instructors are some of the most well qualified in the country. All instructors receive over 125 hours of training and are continuously tested before running an Appleseed event. Our attendees can be assured of the highest level of safety and a rich learning experience.

Family Friendly

Appleseed is much more than a day or two at the range. For a child, Appleseed is about learning safety, gaining responsibility and confidence, sharing an experience with mom and dad, and learning history that is often lacking in our schools.

Kids are our posterity. They will inherit this country, and this alone is perhaps the best reason to bring a child to an Appleseed.

About The RWVA

Project Appleseed is the sole focus and activity of the Revolutionary War Veterans Association, a non-profit 501(c)(3) organization.

Weekend events, Boot Camps, and the coordination necessary to make them happen are all conducted by proud volunteers. We are passionate about ensuring that the Rifleman legacy is passed down to the generations of Americans that follow.
