

Project Appleseed is returning to EEGC this spring on
March 23-24 and April 20-21

Appleseed offers so much more than just rifle skills. We're fun -- what could possibly be better than a weekend spent together on the line? We're family-friendly -- what better chance to get the wife and kids out to the range? We're challenging -- both beginners and veteran shooters alike will learn a great deal. We're affordable -- an all-volunteer nonprofit organization. Appleseed's fees just cover our costs.

All that, plus we'll teach you to shoot to a 4 MOA standard, without using a bench!

"So you think you already know how to shoot?"

We would love to have you join us for a full weekend of **Traditional Marksmanship** and **American Heritage!**
