Dear Mr. Lane:

Thank you for contacting me to invite me to participate in the Appleseed Project. I appreciate you taking the time to share information on the Project and on its history. Unfortunately, I will not be able to attend.

As you know, I am a strong supporter of the Second Amendment of the *United States Constitution*. I firmly believe that our Second Amendment rights need to be preserved and protected, and I am committed to working to reverse federal laws which restrict the Constitutional rights of United States citizens to keep and bear arms.

The Appleseed Project's mission to teach someone how to shoot a rifle accurately and to teach the heritage of the American Rifleman and his legacy and importance throughout America's history is essential. With accurate information and proper gun handling, perhaps, more American's will understand the importance of protecting the Second Amendment.

Again, I want to thank you for taking the time to contact me. Please feel free to contact me if I can be of any further assistance on this matter or if you would like additional information on this topic or other issues facing Congress, please visit my Website at <http://crenshaw.house.gov>.

Sincerely,

ANDER CRENSHAW
Member of Congress
