

The Revolutionary War Veterans Association presents

Project Appleseed

Become a Rifleman!

2-Day Marksmanship Clinic

June 14th and 15th, 2014

2300 Plank Rd., Dundee, MI 48131

Project Appleseed teaches rifle marksmanship skills necessary to be accurate out to 500 yards, and shares heritage with Revolutionary War history.

Learn the 6 steps to firing a shot, correct firing positions, proper sling use, finding your natural point of aim, and more. New shooters will learn and obtain essential fundamentals, while experienced shooters will discover techniques to tighten shot groups and polish their skills.

What you should bring:

- ♦ A desire to learn and improve
- ♦ A rifle zeroed for 25 meters (either rimfire or centerfire is ok)
- ♦ Ammunition 250 rds per day and magazines (Note: .22 ammo available for purchase to students at the event.)
- ♦ Eye & ear protection, a mat or ground cloth.
- ♦ Recommended: Hat / sunscreen, rain gear, stapler, a chair, GI web sling & your friends.
