

# What's so special about April 19?

It's one of the most important dates in our nation's history, but few Americans fully appreciate why.

Please join us at the Northern Arizona Shooting Range on Sunday, April 19, for a special one day Project Appleseed event. Learn the traditional rifle marksmanship fundamentals that solidified America's reputation as a nation of Riflemen; hear the inspiring true story of the hard choices and sacrifices made on this day by our founding generation; and at 1pm, join thousands of other proud Americans coast-to-coast in a coordinated nationwide memorial volley honoring those brave patriots who gave their lives in the opening battle for our freedom and independence.

What to bring:

- A desire to learn and improve
- A rifle - anything up to 8mm. Preferably a magazine fed semi auto
- Scopes or adjustable iron sights are acceptable, an adjustable sling is recommended
- Ammo - about 200 rounds
- Eye and Ear protection
- A shooting mat or carpet remnant (we'll be shooting from field positions - including prone)
- Water, lunch, snacks, friends!

Appleseed is very family friendly. We are working with firearms so a level of maturity is expected. Young shooters need to be able to charge their own magazines and manipulate the bolt by themselves.

This is a full-day event, from 8:30am to 5:00pm.

In addition to the \$7 NASR range fee, adults are \$40 for the full day of instruction, \$15 for Kids under 18. Active military, reserve, guard, peace officers, elected officials, or disabled – FREE.

See [northernarizonashootingrange.org](http://northernarizonashootingrange.org) for directions and other range info

Space is limited - please see the Project Appleseed website at [appleseedinfo.org](http://appleseedinfo.org) for more information, and to register to insure your spot on the line.
