

The morning view at the range.

Our first Pistoleer – Congratulations Superheat!

Students circled up for a POI

The Instructor Crew – Shep, Doc Willi, and Rangerat67

SteelThunder receiving his patch!

The covered firing line was greatly appreciated on this hot May day in Michigan.

Quote of the day "You gave yourself 52 points on stage 2. I'll check it but it can only go down from here."

Congratulations Open Sights!

Ready for the Thunderstorm to role in.

The students and instructors were safe and ready for dinner.

Shep presenting a POI

One Handed shooting.

SteelThunder practicing a POI with PocketWatch as a model.

Doc Willi and Shep being presented with a Michigan patch for crossing the border to help out.

Miki receiving her patch. (Can you score 250 with a pistol too?)

The winning Fun Shoot Team – Battleship!

Shoot Boss joining in on the fun

Pookie being “baptised” with ice cold water. The video shows a slow 6 second pour!

Shep proved he can instruct and shoot by clearing the final Hits Count Target!

Neither the truck nor the deer where victorious : (
