“FREEZE & SQUEEZE RIFLEMAN CLINIC”

WOULD YOU LIKE TO BE ABLE TO SHOOT BETTER? WOULD YOU LIKE TO BE ABLE TO HIT AT 500 YARDS? THEN THIS RIFLEMAN CLINIC IS JUST THE TICKET!

Learn the correct firing positions, the proper use of a sling, the “Six Steps to Firing the Shot,” Natural Point of Aim (NPOA), the Rifleman’s Cadence, and how to adjust your sights. Along the way we’ll teach you little-known secrets of Revolutionary War history, how our forefathers changed the world forever, and about our unique birthright as Americans.

Attendees have said: “Spent time doing something fun with my son....I’m so proud of him!”

“Had a terrific time with my wife, and we’re looking forward to our next Appleseed.”

“Received more quality instruction in two days than I had in 4 years of active duty!”
