

Appleseed Shoot

Sponsored by the Revolutionary War Veterans Association, a 501(c)(3) organization

Lake George, NY
Dunham's Bay Fish and Game Club
2090 Ridge Road, Queensbury, NY 12804

2-Day Marksmanship Clinic
May 15 & 16, 2010

All shoots start at 08:30, unless otherwise specified.

The Appleseed Program is designed to take you from simply being a rifle owner to being a true Rifleman. All throughout American history, the Rifleman has been defined as a marksman capable of hitting targets from 500 yards away! This 500-yard range is traditionally known as "the rifleman's quarter-mile." A rifleman can hit just about any target he can see.

Learn the "Six steps to firing the shot." Learn correct firing positions and proper use of the sling.
Hear some little-known Revolutionary War history and reaffirm your heritage.
Become a more influential citizen and make America a better place.

What you should bring:

A desire to learn and improve.
A rifle (and a spare, if you have it)
Ammunition: at least 500 rounds per day
Scope OK. Sling strongly recommended.
Eye and ear protection. Mat or ground cloth.
Water, lunch, snacks.
Some friends!

What you can expect:

New Shooters - learn fundamentals and make quick progress.
Experienced Shooters - learn techniques to tighten your groups.
Expert Shooters – polish your shooting AND teaching skills.
Everyone – expect to have a great time!

Attendees have said: "...[spent] time doing something fun with my son...I am so proud of him!"
"...had a terrific time with my wife and we are looking forward to our next Appleseed."
"...received more quality instruction in two days than I've had in four years on active duty!"

Walk-in fees are \$80.00 for both days, or \$50.00 for one day.

Pre-register, be sure of a place, and save! \$70.00 for both days, or \$45.00 for one day.

Shooters under 21, active military (including reserves and guard), disabled vets and women shoot for FREE!

There will be a host range fee of \$5 per shooter per day.

Attendees are responsible for determining applicable firearms laws of the host state and for travel.

No loaded firearms on the range unless on the firing line and load command has been given. Eye and ear protection required. Several delis and sandwich shops close to club, so lunches can either be ordered or bring your own. Range has 50 covered outdoor firing points and a maximum of 200 yds for distance shooting. As with all Appleseed events, this is primarily a 25 meter event with some distance instruction/shooting on day two for those who are equipped and ready.
