

Our Instructors

Appleseed instructors are some of the most well qualified in the country. All instructors receive over 125 hours of training and are continuously tested before running an Appleseed event. Our attendees can be assured of the highest level of safety and a rich learning experience.

Appleseed, Davilla, TX - October 2009

Michael Adam
Master Instructor

Family Friendly

Appleseed is much more than a day or two at the range. For a child, Appleseed is about learning safety, gaining responsibility and confidence, sharing an experience with mom and dad, and learning history that is often lacking in our schools.

Kids are our posterity. They will inherit this country, and this alone is perhaps the best reason to bring a child to an Appleseed.

About The RWVA

Project Appleseed is the sole focus and activity of the Revolutionary War Veterans Association, a non-profit 501(c)(3) organization.

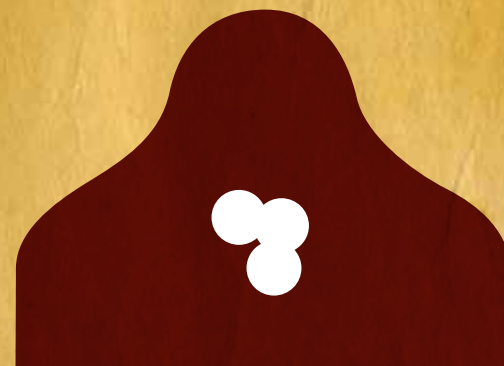

Weekend events, Boot Camps, and the coordination necessary to make them happen are all conducted by proud volunteers. We are passionate about ensuring that the Rifleman legacy is passed down to the generations of Americans that follow.

History in the Making

In four short years Appleseed has grown from a single event into a nationwide program that will see over 20,000 shooters this year alone.

WHAT YOU WILL LEARN

Rock Solid Shooting Positions

Standing offhand, sitting/kneeling, & prone. The foundation for putting shots on target.

Using a Sling for Support

It's not just for carrying a rifle. Learn how to take full advantage of the sling and tighten up shot groupings.

Natural Point of Aim

A tremendously effective method essential to making the shot, but also necessary for quick follow-ups that stay on target.

Six Steps to Firing a Shot

Learn to apply these techniques for acquiring extreme accuracy.

Shot Analysis

Targets don't lie. Learn how to read your target and make the corrections necessary to keep shot groupings tight and in the black.

Inches, Minutes, Clicks

What is 4 minutes of angle (moa) at 500 yards? Find out at Appleseed.

Sight Adjustment & Range Estimation

Learn how to properly adjust for elevation and windage, as well as fine-tuning to stay on target at different distances.

History and Heritage

We are a nation founded by Riflemen. Hear about the birth of America, and the individual stories of heroism and sacrifice that have allowed us the chance to live in a free republic.

What is Appleseed?

Project Appleseed teaches the fundamentals of rifle marksmanship and intertwines these skills with the history and heritage of our great nation. Rifle skills are becoming a lost art in modern America, but we feel that they are as important today as they were on April 19th, 1775 when the first shots were fired on Lexington Green.

Attending an Appleseed re-aquaints participants with the past and offers them the knowledge and rifle skills necessary to help ensure freedom for the future.

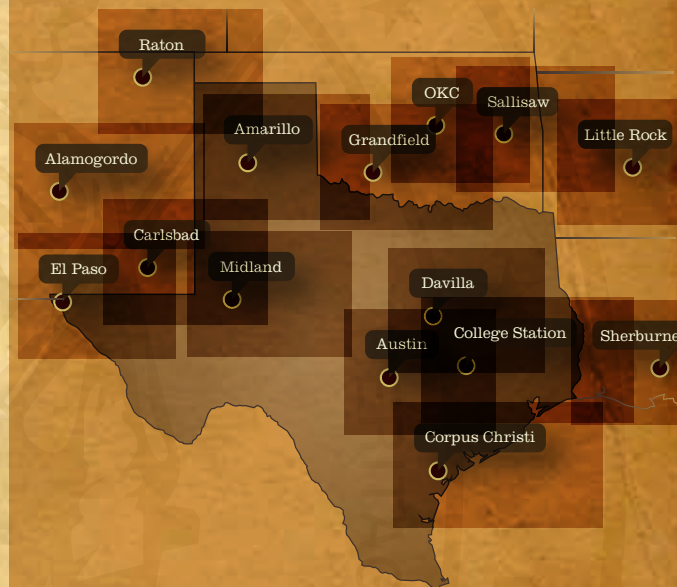

We Make Riflemen

Throughout American history, a Rifleman has been defined as a marksman capable of consistently hitting targets up to 500 yards. When fighting for our country's freedom, our forefathers exhibited this ability and accurately shot at this distance with a flint lock rifle.

Shouldn't you be able to attain this standard today with a modern rifle and equipment?

Locations & Schedule

Events are held nation wide. New dates and locations are continually added throughout the year. The best way to find an Appleseed near you is to visit our website, www.appleseedinfo.org and click on schedule.

Appleseed Prices

We believe the cost for attending an Appleseed is the best value in the country. Similar courses can be over five times as expensive.

\$70	For two full days of instruction*
\$45	Single day*
FREE	Women, under 21, and active military/LEO attend free of charge.

*For preregistered shooters. Although we encourage you to preregister for events, walk-ons are welcome if space is available on the firing line. Price is \$80/weekend, \$50/single day.

Visit our website and pre-register for an event: www.appleseedinfo.org
