

*The Revolutionary War
Veterans Association
Is proud to announce:*

*Project Appleseed
Is coming to Florida!*

Appleseed events will be held in multiple locations throughout the state, including the following:

Alachua County, Manatee County, Hernando County, Broward County, Volusia County, St. Johns County, Flagler County, Marion County, & Escambia County (more being added all the time!)

Please visit www.AppleseedInfo.org for detailed event locations and dates.

The Appleseed Program is designed to take you from simply being a rifle owner to being a true Rifleman. Throughout American history, the Rifleman has been defined as a marksman capable of hitting targets up to 500 yards away! This 500-yard range is traditionally known as "the rifleman's quarter-mile". A rifleman can hit any target he can see with his naked eye – all with a “rack-grade” rifle, ordinary “ball” ammo, and simple iron sights.

Learn the “Six steps to firing the shot.” Learn correct field positions and proper use of the sling.
Hear some little-known Revolutionary War history and reaffirm your extraordinary heritage.
Help Appleseed make America a better place by maintaining the tradition!

What you should bring:

A desire to learn and improve.
Centerfire or .22 rimfire rifle, or both.
Scope OK. Sling strongly recommended.
250 rounds of ammunition per day, per rifle.
Eye and ear protection. Mat or ground cloth.
Hat and sunscreen. Rain gear, layered clothes.
Water, lunch, snacks. Some friends!

What you can expect:

New Shooters - learn the fundamentals and make quick progress.
Experienced Shooters - learn techniques to tighten your groups.
Expert Shooters – polish your shooting AND teaching skills.
Everyone – expect to have a great time!

Attendees have said: “... [spent] time doing something fun with my son...I am so proud of him!”
