

Mini-Appleseed Shoot

Free Rifle Marksmanship Clinic At The Cloverdale Conservation Club

October 25 , 2008

Time: 10 AM to 2 PM

Come see what Appleseed is all about

This is a 4 hr Introduction to the Appleseed Program

Learn the "Six steps to firing the shot." Learn correct firing positions and proper sling use.

What you should bring:

A desire to learn and improve.

.22 rimfire rifle through 8mm

Scope OK. Sling strongly recommended.

100 rounds of ammunition

Eye and ear protection. Mat or ground cloth.

Dress for the weather, we shoot regardless

Some friends!
