

Announcing the merging partnership of *NYSRPA & Project Appleseed*

This is an official press release statement informing the public that NYSRPA & Project Appleseed are merging a partnership. This alliance combines the oldest & strongest 2nd Amendment organization NYSRPA with the efforts of "Project Appleseed", a riflemen course designed by "The Revolutionary War Veterans Association" (RWVA). The riflemen course is a two day rifle marksmanship program that is intended to awaken the spirit of liberty and personal responsibility in the heart and mind of the American Citizen. By reconnecting with the events of April 19th 1775, "Project Appleseed" intends to invoke the American Riflemen in all of us; men, women and children. RWVA is a 501(c)(3) nonprofit teaching organization.

At an Appleseed weekend you will learn.. American History ❖ rifle safety ❖ the six steps to firing the shot ❖ natural point of aim ❖ steady hold factors ❖ shooting positions ❖ sling use ❖ breathing cadence ❖ finger control ❖ shot group analysis ❖ minutes of angle in relationship to distance.

April 19th 1775

When marksmanship met history, and the heritage began...
