

# Appleseed Shoot

Sponsored by the Revolutionary War Veterans Association, a 501(c)(3) organization

**Douglas, Wyoming  
Converse County Shooting Range/ Park**

**May 2-3, Sept 5-6, 2009  
Rifleman Boot Camp: April 26,-May 3, 2009**

**All shoots start promptly at 08:30, unless otherwise specified.**

The Appleseed Program is designed to take you from simply being a rifle owner to being a true Rifleman. All throughout American history, the Rifleman has been defined as a marksman capable of hitting targets from 500 yards away! This 500-yard range is traditionally known as "the rifleman's quarter-mile;" a rifleman can hit about any target he can see.

**Learn the "Six steps to firing the shot."**

**Learn correct firing positions and proper use of the sling.**

**Hear some little-known Revolutionary War history and reaffirm your heritage.**

**Become a more influential citizen and make America a better place.**

## **What you should bring:**

A desire to learn and improve.  
Centerfire or .22 rimfire rifle, or both.  
Scope OK. Sling strongly recommended.  
250 rounds of ammunition per day, per rifle.  
Eye and ear protection. Mat or ground cloth.  
Hat and sunscreen. Rain gear, layered clothes.  
Water, lunch, snacks. Some friends!

## **What you can expect:**

**New Shooters** - learn the fundamentals and make quick progress.  
**Experienced Shooters** - learn techniques to tighten your groups.  
**Expert Shooters** – polish your shooting AND teaching skills.  
**Everyone** – expect to have a great time!

## **Directions**

Heading north on I-25 from the south, take first exit into Douglas (pass Broken Wheel Truck stop on your right) and go straight on Richards St. about 2 miles to first stoplight. Will need to get into left turning lane and turn left at this light (before you cross RR tracks!). This is La Bonte Rd and you stay on this to the next possible right turn, where you DO cross the RR tracks. You'll see sign on Rt. telling you to turn left onto Irvine Rd to go to County Range, etc.(about 3 miles out). This is very first left just after you cross the tracks. Go straight; range will be on your left.

Coming south on I-25 into Douglas take first exit and before you come to first intersection at Riverbend and Yellowstone you'll need to get into the righthand turning lane and follow on Riverbend Dr till you see Richards St....this is a "T" and you'll turn left here onto Richards St. Follow this road (you'll pass Middle School and go over a bridge first) till you cross the RR tracks then turn first hard right onto La Bonte Rd. just after the tracks. Follow to the next possible hard right and cross tracks again, then hard left onto Irvine Rd. The sign on right of road just across the tracks points to the left turn for the County Range, etc. Go about 3 miles and range is on your left.
