Stage 3: Prone
Simulated 300 yard target

Stage 3: Prone
Simulated 300 yard target

Stage 4: Prone
Simulated 400 yard target

Scoring: a bullet which touches the next highest ring is counted as the higher value. Use the '.30 cal rule' for calibers less than .30 - if the bullet would have touched the next higher ring if it had been a .30, then count it as the higher score. (No cheating! If in doubt, count it out.)

Score: Stage 1: _____ Stage 2: _____
Stage 3: _____ Stage 4: _____ X 2 = _____
Total of above Scores: [20 rds]: _____ X 2 = _____
[8 rds]: Total _____ X 5 = _____
= Your Classification Score
Qualification: Unqualified: under 125 Marksman: 125-169
Sharpshooter: 170-210 Expert [Rifleman]: 210 or more

Stage 4: Prone
Simulated 400 yard target
