Project Appleseed is the sole project of the Revolutionary War Veterans Association (RWVA), a 501(c)(3) organization. Founded in 2006, Project Appleseed and its volunteers are committed to bringing traditional rifle marksmanship skills and the story of April 19, 1775, to each and every American. Our goal is to teach the skills that are truly ours alongside the story, engaging each participant in our unique American heritage and encouraging all to become active and engaged citizens.
