

Project Appleseed

Invites you to attend a
Special Marksmanship and Heritage Clinic

Reconnect with the people and events of April 19, 1775, in Colonial America. Join us and hear some little-known Revolutionary War history, reaffirm your pride of heritage, and make America a better place.

Learn the Rifleman skills (traditionally know as mastering the "Rifleman's Quarter Mile") that enable you to be accurate out to 500 yards using a standard rifle with iron sights and surplus ammunition. This ability has been part of this nation from its very first days.

Take the challenge! Let us teach you to qualify and "shoot Expert" on a U.S. Army Qualification Test.

Featured guest attendees: Dave Duffy and Annie Tuttle (owners of *Backwoods Home Magazine*) and internationally-known firearms and self-defense instructor, Massad Ayoob. Ayoob remains an internationally prominent law enforcement officer training instructor and regular writer for *Backwoods Home Magazine*.
