Family Friendly

Appleseed is much more than a day or two at the range. For a child, Appleseed is about learning safety, gaining responsibility and confidence, sharing an experience with mom and dad, and learning history that is often lacking in our schools.

Kids are our posterity. They will inherit this country, and this alone is perhaps the best reason to bring a child to an Appleseed.

About The RWVA

Project Appleseed is the sole focus and activity of the Revolutionary War Veterans Association, a non-profit 501(c)(3) organization.

Weekend events, Boot Camps, and the coordination necessary to make them happen are all conducted by proud volunteers. We are passionate about ensuring that the Rifleman legacy is passed down to the generations of Americans that follow.

History and Heritage

We are a nation founded by Riflemen. Hear about the birth of America, and the individual stories of heroism and sacrifice that have allowed us the chance to live in a free republic.

What is Appleseed?

Project Appleseed teaches the fundamentals of rifle marksmanship and intertwines these skills with the history and heritage of our great nation. Rifle skills are becoming a lost art in modern America, but we feel that they are as important today as they were on April 19th, 1775 when the first shots were fired on Lexington Green.

Fulfill your CMP requirements at Appleseed and be eligible to purchase WW2 era rifles directly from the Civilian Marksmanship Program at discounted rates.

Attending an Appleseed reacquaints participants with the past and offers them the knowledge and rifle skills necessary to help ensure freedom for the future.

We Make Riflemen

Throughout American history, marksmanship played a vital role in the shaping of our country. Our colonial forefathers exhibited effective marksmanship skill and this was an essential element in winning our freedom.

A modern Rifleman can consistently hit targets out to 500 yards. Will you learn these skills and pass the legacy on to future generations, or will you let the tradition die?

Locations & Schedule

Events are held nation wide. New dates and locations are continually added throughout the year. To find an Appleseed event near you, please visit our website, www.appleseedusa.org
