The Appleseed Program is designed to take you from simply being a rifle owner to being a true Rifleman. All throughout American history, the Rifleman has been defined as a marksman capable of hitting targets from 500 yards away! This 500-yard range is traditionally known as “the rifleman’s quarter-mile.” A rifleman can hit just about any target he/she can see.

Learn the “Six steps to firing the shot.” Learn correct firing positions and proper use of the sling.
Hear some little-known Revolutionary War history and reaffirm your heritage.
Become a more influential citizen and make America a better place.

What you should bring:

- A desire to learn and improve.
- Centerfire or .22 rimfire rifle, or both.
- Scope OK. Sling strongly recommended.*
