**Attendees said:** “... [spent] time doing something fun with my son...I am so proud of him!”

“... had a terrific time with my wife and we are looking forward to our next Appleseed.”

“... received more quality instruction in two days than I've had in four years on active duty!”

Walk-on fees are \$80.00 for two or three days, or \$50.00 for one day (space permitting).

Pre-register, be sure of a place, and save! \$70.00 for two or three days, or \$45.00 for one day.

Shooters under 21 and active military (including reserves and guard) shoot FREE!

Attendees are responsible for determining applicable firearms laws of the host state and for travel.

### How can this clinic be both 8 and 2 days?

Because the 8 day clinic, which we call Rifleman's Boot Camp, or RBC, is an intensive, in-depth course, designed to maximize your skills, while giving you personalized instruction. Following the RBC, we'll have a conventional 2-day Appleseed; still chock-full of information, but it goes a bit faster. Can't decide? Come to the RBC and then stay for the Appleseed.

Everyone will be absolutely amazed at your shooting skills.

The 2-day Appleseed is a 25meter event, so 22s are perfect. The RBC is a long-range event, you'll need your centerfire rifle if you're attending.
