Project Appleseed™ is part of a nationwide, non-profit, educational organization* that teaches rifle marksmanship skills and history of our Nation's founding. This two-day event will include instruction on gun safety and proper marksmanship techniques, using modern rifles. Students will also have the opportunity to earn the coveted Rifleman patch by shooting a qualifying score on the Appleseed Qualification Test (AQT).

In addition to expert marksmanship instruction, students will hear historical storytellers passionately share the Three Strikes of the Match, a series of three pivotal events that ignited the Revolutionary War. Project Appleseed™ events are suitable for both new and experienced shooters. Families are welcome.

* An initiative of the 501(c)3 nonprofit, Revolutionary War Veterans Association, Project Appleseed focuses on teaching traditional rifle marksmanship skills while reconnecting Americans of all ages and backgrounds to the people and events of the founding of our country. Participants learn about the difficult choices, heroic actions, and sacrifices that the Founders made on their behalf, in order to secure our Nation's independence and liberty. Project Appleseed™ is served by more than 650 volunteers and has taught more than 70,000 people in all 50 states since 2006.
