*By the rude bridge that arched the flood,
Their flag to April's breeze unfurled;
Here once the embattled farmers stood;
And fired the shot heard round the world.*

*O Thou who made those heroes dare
To die, and leave their children free,
Bid Time and Nature gently spare
The shaft we raised to them and Thee.*

Administrative Items

The RWVA is very pleased to partner with your club/range to present this Appleseed Shoot and thanks you for helping a cause that many talk about, but few do anything to promote. To understand better what to expect, please read carefully the information provided below to make the Appleseed at your range the best Appleseed ever:

The RWVA is providing instructors, targets, full course of fire, liability insurance, and regional promotion.

RWVA will be responsible to police up brass from this event or leave for the range owner if desired, as well as pick up all trash that is a result of its use of this facility

In order to conduct an Appleseed Shoot, the RWVA will need exclusive use and control of the ranges used for this event. This is to include the ability to check and set targets without interference from those not participating in this event. The course of instruction includes shooting in the standing, sitting and prone positions. We operate by strict safety rules; in the event there are special safety rules relevant to your range, we will strictly adhere to them.

All participants and observers on the range during the Appleseed will be required to sign RWVA liability waivers.

You agree to promote the Appleseed within the club/range membership, local gun shops and related business and locations by seeing that flyers advertising the event are set out. RWVA will make a master flyer available for local reproduction, along with full-color brochures about the Appleseed program, if requested. Our experience has shown that local effort to 'get the word out' can have a dramatic impact on actual turnout.

You agree to ensure that the ranges reserved for this event are not in conflict with other events. The club/range is responsible to ensure and that RWVA staff will have access to the range and facilities by 7:30 am each day of the event.

You agree to provide target stands and backers. RWVA will provide direction as to the set up and assist with volunteers when able. If you can supply volunteers to assist in parking, registration, food preparation, etc, it would be most appreciated.

Please ensure the above information is accurate, as it will be used in the promotion of this event.

The intent of this agreement is to promote the cause, and to work together to maximize the size and impact of the event at your range/club. We are very interested in your feedback as to what you like and disliked (or see the need for us to improve). This should be a win-win for both of us, and both of us should be satisfied at the end of the event, as we would like to come back to your facility in the future. In fact, we hope that you will, when all is over and done, give us a testimonial that we can use as an introduction to future potential hosts to encourage them to participate in this growing program.
